AUTHORITY APPROVALS

We are fully qualified to obtain the necessary approvals from various departments to ensure hassle free completion of dream projects of our clients.

WHAT WE ARE

Our passion for the field of interior designing enables us to constantly evolve and update.

Every member of our team seeks to improve our in-depth industrial knowledge, to ensure that we find the most intelligent ways to fulfill our clients' needs. We encourage imaginative and innovative generation of ideas.

With almost all disciplines being controlled in-house we are able to complete every project effectively and economically.

We have a well-coordinated and supportive group of sub-contractors to back us on fields which are not available in-house. This enables us to relieve stress off our clients and complete projects by arranging everything for them.
